

Hello all, my name is Adam, and I am running for the Junior Treasurer position at the Riding and Polo Club. I am deeply committed to ensuring the financial stability of our club and fostering our relationship with the lovely folks at Ash Farm Polo Club. My manifesto revolves around three key pillars:

**Financial Sustainability:** Our club's long-term stability is paramount. I will focus on prudent financial management and strategic planning, including conducting regular financial assessments, identifying potential revenue sources, and exploring cost-saving measures. A proactive approach to financial management will ensure that our club remains financially stable and able to support our activities for years to come.

**Investment in the Future:** As Junior Treasurer, I will advocate for investments that benefit our club's future. These investments could include infrastructure improvements, equipment upgrades, and initiatives that enhance the overall member experience. Smart investments will ensure our club continues to thrive, attracting new members who share our passion for riding and polo.

**Membership Engagement and Retention:** I am committed to fostering a strong sense of community and engagement among our club members. I will work to create opportunities for members to connect with one another and actively participate in club activities. Additionally, I will focus on retaining current members by ensuring that their needs and interests are heard and addressed.

In conclusion, I am dedicated to serving as Junior Treasurer believing that together we can ensure the continued success and growth of our club.

Thank you for your consideration.
