

# Vote Anant For ICSMSU BMB Academic President

## Academics

- More drop-in sessions
- Amending bits of pre-session material
- **Fairer Exams (using devices of our choice)**
- Increase support in labs

*Already the Year 1 Academic Rep, I will continue making an impact and fight for a better student experience in Medical Biosciences*

## Representation

- Work with *everyone* in the course and hear your comments, suggestions, criticisms.

## Social

- Give tools that help everyone communicate – crossing language and social barriers.
- More events for the cohort (academic & otherwise)

## Collaboration

- Work with the Year Group Reps to make important changes in the course on a year level
- Organise collaboration sessions
