

BELLA FOR BEGINNER'S REP!

RIDE THE WAVE WITH ME!

Remember your first time stepping onto a surfboard?

The mix of excitement, nerves, and that amazing feeling when you finally catch a wave?

I've been there too!

Surfing is more than just a sport – it's about community, learning, and having fun together!

As Beginners' Rep, I'll make sure every new surfer feels welcome, supported, and ready to enjoy the ride.

My goals:

👉 Make joining easy – clear lesson info, what to bring, and what to expect.

🌐 Build a beginner-friendly community – fun social events.

👂 Be your voice – listening to your feedback and ideas.
