PLANS FOR NEXT YEAR

MORE Workshops + Academic Activities

Organize more workshops to **acquire necessary skills** for job/PhD applications with sponsors and Imperial academics, Organize **hackathons/designathons/ideathons** to apply these skills

MORE Outreach Activities

Work with **other charities** to organize outreach activities to **empower young girls in STEM**

MORE Networking/Social Events

Create opportunities for our members to network with like-minded people from **different societies** and even from **different universities!!!**

MORE Connected Imperial Community

Organizing formal events open to all female and non-binary Imperial staff and students, as IWD reception, to create **closer and supporting connections** among them and **reduce gender gap** at Imperial

MORE Diversity in WSET

Adapting events to **welcome all** Imperial students identifying female or non-binary from different departments from medicine to math and welcome supporters as well
