

DEVI FOR BIOMEDICAL WEBMASTER!

Hey everyone, it's Devi, I'm a Year 2 Medical Biosciences student. Let's cut right to the chase. I'm pitching myself as your next biomedical webmaster, and here's why I'm the person you're looking for:

- **Creativity** - I look forward to bringing fresh, vibrant ideas; whether it's revamping a website layout, crafting engaging social media posts, or launching an innovative digital campaign, I'm all about making things pop and stand out!
- **Organisational skills** - demonstrated through my role as CMO at PulmoGuard, I have a proven track record of managing complex projects with precision and efficiency.
- **Experience** - PulmoGuard enabled me to hone my skills in managing social media accounts. With me guiding your digital presence, every event and audience interaction will be unmissable, blending informative content with undeniable fun and engagement.

With me as your biomedical webmaster, here's a sneak peek of what you can look forward to:

- **EVENT VISIBILITY** - I will ensure maximum engagement and turnout!!
- **ENGAGING CONTENT** - content that doesn't just inform but entertains :)
- **INNOVATIVE SOLUTIONS** - from website design to event advertising.
