Our objectives...

Real World Experience

Establish a student-managed fund with actual capital so members can develop experience in **portfolio** and **risk management**

Cater to all levels

Beginner-friendly structure

Introduce a bespoke training programme exclusive to Imperial analysts to develop strong foundations.

Advanced Members

Manage real money through advanced sectors (FIG, P&U etc.) and systematic funds

Compete, Collaborate and Excel

Represent Imperial and QT Capital at prestigious investment competitions such as at UBS, the UK Investment Challenge and Rotman International Trading Competition

Continuous Growth and Innovation

Adapt the fund's needs to those of the members, covering fundamental skills for a career in the industry so everyone thrives!
