## CHANGES

- 01 Form for student ideas**

If you ever have any ideas and suggestions for academic improvements, you can input it into a form, and I will compile and present them in student staff meeting. You can make submissions everyday from 9 to 5

---

- 02 Increased study sessions**

You can drop into addition study session if there is still content that you don't understand particularly for the harder modules

---

- 03 Academic assistance from seniors**

increase your network and connections with seniors, while receiving assistance on assignments, gaining tips with studying and also looking for internships etc.
