

Hi! I'm Jiali 🙌

Vote for Academic Rep EFDS

About me

As an academic officer I would like to represent the opinions of the student in this course and voice concerns and suggestions from the community!

- A Levels: Maths, Further Maths, Economics and Comp Sci
- Born and raised in the UK, fluency in both English and Mandarin (can ensure effective communication with majority of course mates)
- Already experienced a year of university before starting this course

What I will do

- Free to approach/message if you have any issues to raise with the course and teaching and work hard to ensure this is delivered
- Try to connect with as many people as possible so people feel comfortable with voicing concerns with work
- Try to communicate more work opportunities and learning for the group for skills in the finance and tech sector!
- Provide emotional support for anyone that needs it !
