

# MEDED CO-CHAIRS

**Current Third Year Coordinator**

**Current Early Years Coordinator**

## VOTE JOYAL AND SHILA

### ESTABLISH AN ALL NEW MEDED TEACHING CONFERENCE

As Co-Chairs we will create and run Imperial's first ever MedED conference. This interactive conference will specialise in teaching skills with the aim of equipping medical students across all year groups with the adequate preparation and skillset required for teaching all types of crowds.

### MEDED ANKI BANK

We will nurture the creation of a course wide Anki bank. MedED lecturers will make 10-15 high-yield flashcards on each lecture they deliver which will then all be collated in a flashcard bank organised according to respective lecture series' which will be available to all students.
