

Hi, I'm Christian and I'm running to be your next Deputy President (Clubs & Societies)!

What do I believe?

I'm passionate that every single student at Imperial should have the best possible university experience. I believe that student activities and development are a huge part of enjoying student life and so improving them should be a top priority. Listening to the voice of students in clubs, societies and projects is the way to achieve the change that students want.

What makes me qualified?
I'm a mechanical engineering student who has been at Imperial since 2019. I have extensive experience with CSPs with a successful background leading within the Union as Sports Chair and Treasurer, having worked to support and campaign for over 50 clubs, as well as representing them on Union Council and CSPB.

**VOTE
CHRISTIAN
FOR DPCS**

1

INCREASE TRANSPARENCY

Communicate regularly with students regarding decision making.
Establish a platform for students to openly field questions to ICU staff.

2

IMPROVE TRAINING & SUPPORT

Review and improve all CSP committee training.
Innovate a new training package for every CSP role.
Increase the accessibility of staff support for CSPs.
Create new support and training for large event planning.

3

REVIEW EXISTING STRUCTURES

Conduct a student-led review into the management group structure to enact the change that students want.
Review and improve existing staff and student-led support networks for all students.

4

REDUCE BARRIERS

Reduce financial barriers to CSP participation.
Reduce social/cultural barriers to CSP participation.
Ensure students can maintain a good work-life balance.

5

COMMUNITY & COLLABORATION

Foster new pathways with London universities to collaborate and engage, bringing together like-minded students.
Work with the college to give students more opportunities for community engagement.
