Vision for 2025/2026: Execution

From the fastest growing Imperial society to the biggest:

1. Annual AI Hack: UK's largest agentic AI hackathon → International
2. Flagship C-Suite Conference directly with CogX: someone mentioned Sam Altman + The Shard?
3. Bring Silicon Valley to London: Imperial's own, Moment Ventures backed by the largest

Our founding pillars:

Education, Practical Network and Entrepreneurship.

Positioned to drive value.
