

# VOTE YIRUI FOR CGCU CSP CHAIR

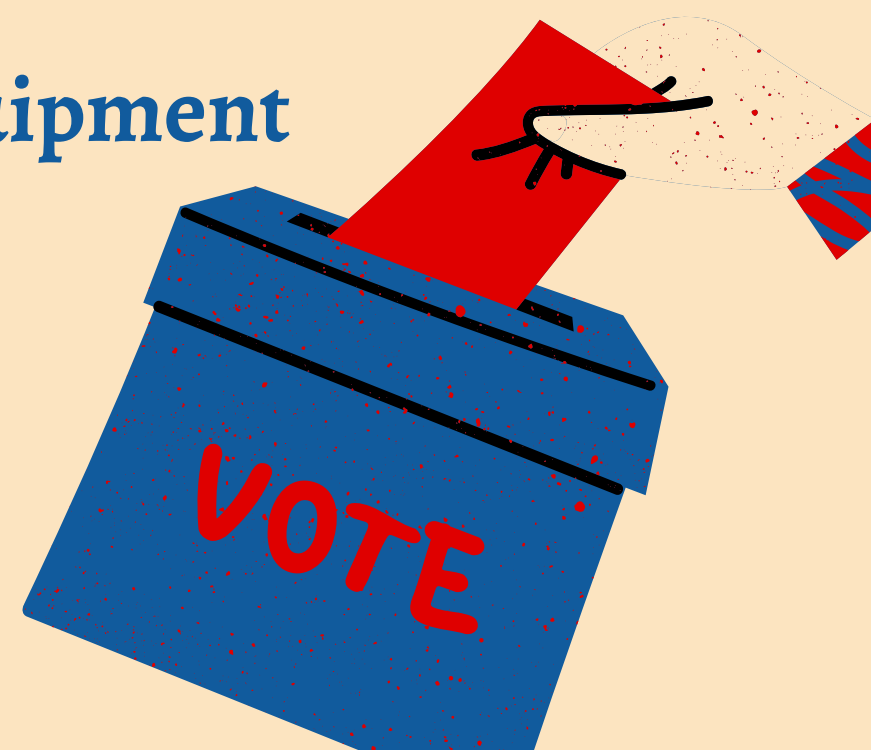

“

I'm Yirui, an undergraduate student studying Molecular Bioengineering! I've always been an active member of various clubs and societies, including sports, cultural, charity, academics, arts, and entertainment.

”

## ***If I'm elected, I will:***

- Understanding every club's activity and maximize the satisfaction of their needs.
- Establish a close working relationship with club committees to ensure the smooth running of all activities.
- Ensuring the financial support for CSPs by well managing and allocating the use of funds and sponsorships.
- Make sure all CSPs have appropriate equipment and space for their activities and events.
- Make sure all CSPs have appropriate equipment and space for their activities and events.
- Always be approachable and supportive.
